

IPUC Direct Install Program Application (General Service)

The program provides eligible general service customers with a full energy survey of their business. Customers must schedule an energy survey to receive a one-time program allowance of **\$1,000** for the installation of specified energy measures every two years. Measures included with this program are energy efficient lighting, refrigeration upgrades, HVAC tune-ups etc... The program is provided on a first-come, first-served basis until program funds are depleted. This program may be modified or terminated without prior notice.

Program Terms and Conditions:

1. Participants are limited to IPUC and its electric customers with all associated utility accounts in good standing.
2. The Utilities Director or designee reserves the right to temporarily suspend the EE Program, or any component thereof, at any time. However, cancelation of or any permanent modifications to the EE Program must be approved by way of IPUC Board action.
3. Payments issued under EE Program Categories are limited to the availability of funds on a two-fiscal year basis.
4. Independent of the EE Program payment, eligible energy efficiency projects must be cost effective from the customer's perspective based upon the value of total estimated energy savings over the life of the installed measures. The installed equipment must be used for the effective useful life of the product(s) or for a period of five years, whichever is less.
5. Applicants may seek IPUC reimbursement for qualified projects that were completed within the fiscal year with city approval. However, EE Program applications submitted on a reimbursable basis will be considered secondarily to pre-approvals and are subject to funding availability and receipt of all relevant documentation and verification requirements outlined herein. Therefore, IPUC offers no guarantee that the applicant will receive an EE payment if the EE Program application is submitted on a reimbursable basis.
6. EE Program applications are subject to pre- and post-installation inspections. Customer agrees to fully cooperate with any authorized agents of IPUC for the purpose of such inspections. Customers who are not in compliance with terms and conditions of the EE Program, or to have provided false or inaccurate information on the EE Program application will be billed for a pro-rated amount of the rebate, or the full amount of the rebate, as may be appropriate.

IPUC Direct Install Program Application (General Service)

7. All equipment installed must be new (not used, refurbished, or available for resale); used at the service address listed on the EE Program application; replace existing, operational, less energy-efficiency equipment; and utilize the same fuel source as existing equipment (electric for electric, not gas for electric).
8. With the exception of IPUC projects, rebates/incentives are based on product cost only. Labor, equipment rentals, taxes and non-material costs are excluded.
9. IPUC does not endorse or recommend specific products or dealers and disclaims any warranty, whether expressed or implied, regarding the equipment installed, or for any material or labor associated with its installation, maintenance, repair, safety, satisfactory performance, or any energy savings associated with its use.

Agreement and Certification

If you qualify for this program, IPUC representative will schedule an energy survey to perform the above listed items. One of IPUC's Energy Management Contractors will come to your business to perform an audit of your energy use and identify areas where you can save energy. You will be provided the items that you qualify for from the list above at no cost. Our Contractor will have you sign an Authorization Form and will perform the work described above and install the equipment at a time that is convenient for you. Our contractor may also provide you with a quote for additional energy saving items that are included in the recommendation and may provide you a quote to perform these installations. You are under no obligation to accept this additional work. Please be advised that there is a charge for the additional work. The installation of the items above should be done in a few hours.

I agree to defend, indemnify, protect and hold IPUC and its agents, officers, and employees harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property which arises from or are connected with or are caused by the acts or omissions of the customer or from conditions on the customer's property; provided, however, that customer's duty to indemnify and hold harmless shall not include any claims or liability arising from the willful misconduct of IPUC, its agents, officers, or employees in performing the work or services or supplying materials or equipment to the customer.
