Statement of Investment Policy

<u>OVERVIEW</u>

Section 53646 (a)(2) of the California Government Code, states that the Treasurer or chief fiscal officer of any other local agency may annually render to his/her legislative body and any oversight committee an investment policy, that the legislative body shall consider at a public meeting.

This Agenda Item includes the Statement of Investment Policy for the City of Industry dated July 8, 2021, for all future investments, pursuant to Section 53601 and Section 53635 of the California Government Code.

This investment Policy serves as the foundation of the IPHMA's investment goals and priorities. This policy will be reviewed regularly or at least annually to assure that it continues to meet the IPHMA's portfolio goals/priorities, with the intent to protect the assets of the Industry Property and Housing Management Authority. The existence of an approved investment policy demonstrates that the governing body is performing its fiduciary responsibilities, thereby, inspiring trust and confidence among the public that it serves.

RECOMMENDATION

It is my recommendation that the Authority approve the Investment Policy.

STATEMENT OF INVESTMENT POLICY

Effective July 9, 2020

(Supersedes All Previous Investment Policies)

- **1.0 Introduction.** The purpose of this document is to identify various policies and procedures that enhance opportunities for a prudent and systematic investment policy and to organize and formalize investment-related activities. Related activities which comprise good cash management include accurate cash projections, the expeditious collection of revenue, the control of disbursements, cost-effective banking relations, and arranging for a short-term borrowing program which coordinates working capital requirements and investment opportunities.
- **2.0 Policy.** It is the policy of the City of Industry to invest public funds not required for immediate day-to-day operations in safe, liquid and medium term investments. These investments shall yield an acceptable return while conforming to all California statutes and the City's Investment Policy.
- **3.0 Scope.** It is intended that this policy cover the investment activities of all contingency reserves and inactive cash under the direct authority of the City and its component units including but not limited to, the City of Industry, the Successor Agency to the Industry Urban-Development Agency, the Civic-Recreational-Industrial Authority, the Industry Public Utilities Commission, the Industry Public Facilities Authority and the Industry Property and Housing Management Authority.
- **3.1 Pooled Investments.** Investments for the City and its component units will be made on a pooled basis including, but not limited to, the City of Industry, the Successor Agency to the Industry Urban-Development Agency, the Civic-Recreational-Industrial Authority, the Industry Public Utilities Commission, the Industry Public Facilities Authority and the Industry Property and Housing Management Authority. The City's identifies the fund types involved as follows:
 - General Fund
 - Special Revenue Funds
 - Debt Service Funds
 - Capital Project Funds
 - Enterprise Funds
 - Trust Funds
 - Miscellaneous Special Funds
 - Any new funds created by the applicable governing board, unless specifically exempted

STATEMENT OF INVESTMENT POLICY

- **3.2** Investments held separately. Investment of bond proceeds will be held separately when required by the bond indentures. Bond proceeds will be invested in accordance with the requirements stated in the bond indentures. This policy does not apply to deferred compensation plans.
- **4.0 Objectives.** Section 53600.5 of the California Government Code outlines the primary objectives of a trustee investing public money. The primary objectives, in order of priority, of the City's investment activities shall be:
- **4.1. Safety.** Safety of principal is the foremost objective of the investment program. Investments of the City shall be undertaken in a manner that seeks to ensure preservation of capital in the overall portfolio.
- **4.2 Liquidity.** The City's investment portfolio will remain sufficiently liquid to enable the City to meet all operating requirements which might be reasonably anticipated.
- **4.3 Return on investment.** Investment return becomes a consideration only after the basic requirements of safety and liquidity have been met. The City Treasurer shall attempt to realize a yield on investments consistent with California statutes and the City's Investment Policy.

The City Treasurer should strive to maintain the level of investment of all contingency reserves and inactive funds as close to one hundred percent (100%) as possible. While the objectives of safety and liquidity must first be met, it is recognized that portfolio assets represent a potential source of significant revenues. It is to the benefit of the City that these assets be managed to realize a yield on investments consistent with California statutes and the City's Investment Policy.

A buy and hold strategy will generally be followed; that is, investments once made will usually be held until maturity. A buy and hold strategy will result in unrealized gains or losses as market interest rates fall or rise from the coupon rate of the investment. Unrealized gains or losses, however, will diminish as the maturity dates of the investments are approached or as market interest rates move closer to the coupon rate of the investment. A buy and hold strategy requires that the portfolio be kept sufficiently liquid to preclude the undesired sale of investments prior to maturity. Occasionally, the City Treasurer may find it advantageous to sell an investment prior to maturity, but this should only be on an exception basis and only when it is in the best interest of the City.

STATEMENT OF INVESTMENT POLICY

5.0 Authorized investments. The City Treasurer may invest City funds in the following investments as specified in the California Government Code Section 53601, and certain investment types are further limited to only the following specified investments.

Section 53601 of the California Government Code provides that the maximum term of any investment authorized under this section, unless otherwise stated, is five years. However, the City Council may grant express authority to make investments either specifically or as a part of an investment program approved by the City Council that exceeds the five year remaining maturity limit. Such approval must be issued no less than three months prior to the purchase of any security exceeding the five-year maturity limit.

5.1 Review of Investment Portfolio. The City's investment portfolio must be in compliance with Section 5.0 of this Policy at the time an investment is purchased. However, due to various reasons the portfolio may not be in compliance. The reasons for noncompliance that may arise include, but are not limited to a downgrade in a security's rating, redemptions or maturities resulting in exceeding maximum percentages of a particular investment type, fluctuation in total portfolio size, a change in the California Government Code, or subsequent update to the Investment Policy that renders investments made under previous policies incompliant.

The Treasurer shall review the portfolios quarterly to identify any securities that are no longer in compliance. The Treasurer shall report any major and critical incidences of noncompliance to the City Manager and City Council and provide recommendations to address the noncompliant securities.

STATEMENT OF INVESTMENT POLICY

- **6.0 Reporting.** Sections 53607 and 53646 of the California Government Code allows the City Council, at its discretion, to require reports meeting the standards set forth in these sections, as well as any additional information desired. Therefore, it is the policy of the City that the City Treasurer or designee appointed by the City Treasurer file a report on the investments and transactions with the City Council as described in Sections 53607 and 53646 of the California Government Code.
- 7.0 Selection of financial institutions and brokers/dealers. Investments shall be purchased only through well established, financially sound institutions. The City Treasurer or City Manager or their designee may maintain a list of financial institutions and broker/dealers who are approved to provide the City with investment services. This list should be updated annually by the City Treasurer to ensure compliance with this investment policy. All financial institutions and broker/dealers who desire to become qualified bidders for investment transactions will be given a copy of the City's Investment Policy, and a return cover letter which they must sign indicating that the investment policy has been read, understood and that their investment offers will comply with this policy.

All financial institutions and broker/dealers will take direction from the City Treasurer or City Manager or their designee as it relates to the investment strategy and investment policy of the City. Any instructions will be in the form of written instructions via email or other electronic transmissions.

Qualified financial institutions and broker/dealers must supply the City Treasurer or City Manager or their designee with the following:

ITEM NO. 6.1

INDUSTRY PROPERTY AND HOUSING MANAGEMENT AUTHORITY

MEMORANDUM

TO:

Honorable Chair and Members of the Industry Property and Housing

management Authority

FROM:

Josh Nelson, Executive Director

STAFF:

Bing Hyun, Assistant Executive Director

DATE:

August 11, 2021

SUBJECT:

Ratification of License Agreement with Placeholder Productions,

LLC, for Access to 15652, 15702, 15714, 15722, 15730, and 15736

Nelson Avenue, for temporary use for the filming of a movie

Background:

Placeholder Productions, LLC ("Placeholder") requested the IPHMA allow temporary use of the properties located at 15652 Nelson Avenue (APN 8208-025-946), 15702 Nelson Avenue (APN 8208-025-950), 15714 Nelson Avenue (APN 8208-025-929), 15722 Nelson Avenue (APN 8208-025-912), 15730 Nelson Avenue (APN 8208-025-947), and 15736 Nelson Avenue (APN 8208-025-945) (collectively "Premises") while filming a movie. The properties served as background for the movie, placement of 60s era picture cars, and a placement of a Ritter fan at 15714 Nelson Avenue. Use of the Premises occurred June 28 through July 1, 2021.

Discussion:

Placeholders received approval from the residents along Nelson Avenue to use their respective properties as a filming location. Placeholder was granted permission to use the Premises but IPHMA Staff could not present the item to the Board prior to filming due to the timeliness of receiving the request to the start of filming. At this time, Staff is requesting the Board ratify the License Agreement ("Agreement") with Placeholder for its use of the Premises. The Agreement terminated on July 2, 2021.

Fiscal Impact:

The Agreement sets Placeholder's lease fee at \$150.00 a month. The prorated amount is \$4.93 per day, so the total lease amount was \$19.72.

Recommendation:

1.) Staff recommends that the Board ratify the License Agreement with Placeholder Productions, LLC, dated June 28, 2021.

- 2. <u>Payment</u>. Licensee shall pay the Licensor, and Licensor shall accept One Hundred Fifty Dollars (\$150.00) per month ("**License Payment**"), for the use of the Premises. Payment in full, totaling Nineteen Dollars and Seventy-two Cents (\$19.72), shall be due and payable in advance, on June 28, 2021, 2021. License Payment shall be due upon execution of the Agreement by Licensee. Payment shall be made to Licensor at 15625 Mayor Dave Way, City of Industry, CA 91744.
- 3. Permitted Use. The Permitted Use is hereby defined to include using the Premises as background while filming a movie, placement of pictures cars, and Ritter fan placement at 15714 Nelson Avenue. At no time shall Licensee store any hazardous materials on the Premises, and for no other use. Licensee shall obtain any and all approvals required by the Los Angeles County Fire Department for the Permitted Use, within 10 days of the Effective Date of this Agreement. Licensee shall exercise due care in the performance of the Permitted Use and such use shall be exercised in a manner which complies with all applicable laws.
- 4. <u>Maintenance of Premises</u>. Upon termination of the License, Licensee shall repair any damage done to the Premises by Licensee or its duly authorized Representatives, and shall restore the Premises to its condition as of the Effective Date of this Agreement.
- 5. Government Regulations and Other Obligations of Licensee. As a condition precedent to commencement of the Permitted Use, if required, Licensee shall obtain at its sole cost and expense all governmental permits and authorizations of whatever nature required, if any ("Permits") by any and all governmental authorities having jurisdiction over the Premises for Licensee's exercise of the Permitted Use. Licensor shall use commercially reasonable efforts to cooperate with Licensee and to support any and all applications or request for said Permits submitted by Licensee or on Licensee's behalf. Licensee shall, in all activities undertaken pursuant to this Agreement, comply and cause its Representatives to comply with all federal, state and local laws, statutes, orders, ordinances, rules, regulations, plans, policies and decrees.

6. <u>Liens</u>.

6.1 Licensee shall not cause or permit to be filed, recorded or enforced against the Premises, or any part thereof, any mechanics', material men's, contractors' or subcontractors' liens

arising from the Permitted Use or any claim or action affecting the title to the Premises arising from the Permitted Use, and Licensee shall pay or cause to be paid, or otherwise removed or bonded over, the full amount of all such liens or claim within fifteen (15) days of receiving written notice thereof. In addition to and not in limitation of Licensor's other rights and remedies under this Agreement or under law, should Licensee fail within fifteen (15) business days of a written notice from Licensor to pay and discharge or bond over any lien arising out of Licensee's use of the Premises, then a material breach under this Agreement shall be deemed to have occurred which, at Licensor's election, shall entitle Licensor to terminate this License effective upon notice by Licensor to Licensee so stating.

- 6.2 If Licensee desires to contest in good faith the validity of any lien or any claim or demand that could result in a lien against the Premises or any portion thereof for which Licensor could become liable if not successfully resolved, as a condition to such contest, Licensee shall notify Licensor of Licensee's intent to contest the lien or claim and the grounds for such contest. Notwithstanding anything to the contrary set forth herein, Licensee shall pay and satisfy any adverse judgment that may be rendered thereon before the enforcement thereof against Licensor or the Premises.
- 7. <u>Insurance</u>. Prior to entering the Premises and until the termination of this Agreement, Licensee shall maintain at its sole expense insurance limits as stipulated in this section.
 - 7.1 <u>Minimum Scope and Limit of Insurance</u>. Coverage shall be at least as broad as:
- (a) Commercial General Liability (CGL): Insurance Services Office Form CG 00 01 covering CGL on an "occurrence" basis, including products and completed operations, property damage, bodily injury and personal and advertising injury with limits no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.
- (b) Automobile Liability: Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if Licensee has no owned autos, Code 8 (hired) and 9 (non-owned), with limits no less than \$1,000,000 per accident for bodily injury and property damage.
- (c) Workers' Compensation insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.
- 7.2 Other Insurance Provisions. The insurance policies are to contain, or be endorsed to contain, the following provisions:

The Licensor and IPHMA Representatives, (as defined in Section 8, below) are to be additional insureds on the CGL policy with respect to liability arising out of Licensee's use of the Premises. General liability coverage can be provided in the form of an endorsement to the Licensee's insurance (at least as broad as ISO Form CG 20 10 11 85 or both CG 20 10 and CG 20 37 forms if later revisions used).
- (b) <u>Primary Coverage</u>. For any claims related to this Agreement, the Licensee's insurance coverage shall be primary insurance as respects the Licensor/IPHMA Representatives. Any insurance or self-insurance maintained by the Licensor/IPHMA Representatives, shall be excess of the Licensee's insurance and shall not contribute with it.

- (c) <u>Contractors and Subcontractors</u>. Licensee shall require and verify that all contractors and subcontractors maintain insurance meeting all the requirements stated herein, and Licensee shall ensure that Licensor/IPHMA Representatives are additional insureds on insurance required from contractors/subcontractors. For CGL coverage contractors and subcontractors shall provide coverage with a format least as broad as CG 20 38 04 13.
- (d) <u>Notice of Cancellation</u>. Each insurance policy required above shall state that coverage shall not be canceled, except with notice to the IPHMA.
- (e) <u>Waiver of Subrogation</u>. Licensee hereby grants to IPHMA a waiver of any right to subrogation which any insurer of said Licensee may acquire against the IPHMA by virtue of the payment of any loss under such insurance. Licensee agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation provided such endorsement is available on commercially reasonable terms, but this provision applies regardless of whether or not the IPHMA has received a waiver of subrogation endorsement from the insurer.
- (f) <u>Deductibles and Self-Insured Retentions</u>. Any deductibles or self-insured retentions must be declared to and approved by the IPHMA. The IPHMA may require the Licensee to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
- (g) <u>Acceptability of Insurers</u>. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the IPHMA.

- (i) <u>Verification of Coverage</u>. Licensee shall furnish the IPHMA with original certificates and amendatory endorsements or copies of the applicable policy language providing the insurance coverage required above. All certificates and endorsements are to be received and approved by the IPHMA before exercise of the Permitted use commences. However, failure to obtain the required documents prior to the exercise of the Permitted Use shall not waive the Licensee's obligation to provide them. The City reserves the right to require complete copies of all required insurance policies, including endorsements, required by these specifications, at any time.
- (j) Occurrence Basis Coverage. All policies shall be written on an occurrence basis unless otherwise approved by the IPHMA.
- 8. <u>Indemnification</u>. From and after the execution of this Agreement, Licensee hereby agrees to indemnify, defend, protect and hold harmless, with counsel of the Licensor's choosing, the IPHMA and any and all predecessors, successors, assigns, agents, officials, employees, members, independent contractors, affiliates, principals, officers, directors, attorneys, accountants, representatives, staff, and council members of the IPHMA collectively, the "IPHMA Representatives", and each of them, from and against all claims, including any claims from any third party beneficiary to this Agreement, causes of action, liabilities, losses, damages, injuries, expenses, charges, penalties, or costs, of whatsoever character, nature and kind, (including reasonable outside attorney's fees and costs incurred by the indemnified Party with respect to legal counsel of its choice), whether to property or to person(s), and whether by direct or derivative action, known or unknown, suspected or unsuspected,

latent or patent, existing or contingent (collectively "Losses and Liabilities"), related directly or indirectly to, or arising out of or in any way connected with any of the activities of Licensee, its agents, employees, licensees, lessees, representatives, invitees, contractors, subcontractors or independent contractors on the Premises. This indemnification requires Licensee to indemnify the IPHMA and any and all IPHMA Representatives from and against all Losses and Liabilities, including attorneys' fees, arising out of the use or release of any Hazardous Substances on the Premises by Licensee. Licensee's obligation to defend shall arise regardless of any claim or assertion that the IPHMA caused or contributed to the Losses and/or Liabilities, provided, however, that Licensee's liability under this Section 8 will be limited to the extent of any contributory negligence of Licensor.

- 9. Term, Termination and Remedies. The License shall commence as of the Effective Date of this Agreement, and shall automatically terminate on July 2, 2021. Notwithstanding the foregoing, at any time, for any reason, the Licensor may, at its sole and absolute discretion, terminate this Agreement without cause, upon 30 days' written notice to Licensee. Further, in the event Licensor sells or transfers the Premises during the term of this Agreement, this Agreement shall terminate upon seven (7) days written notice to Licensee. In addition, if Licensee shall be in breach of any of its obligations under this Agreement and shall fail to cure such breach within ten (10) business days of written notice from Licensor specifying the nature of any such breach, Licensor shall have the right to terminate this Agreement upon written notice to Licensee. Licensee acknowledges that this License is solely a license, and that Licensee has no rights as an owner, purchaser or tenant by virtue thereof. Upon termination of the Agreement, Licensee shall promptly vacate the Premises and comply with the provisions of Section 4 above. No termination or expiration of this License shall relieve Licensee of its obligations hereunder.
- 10. <u>Inspection and Access to Premises</u>. - 12. <u>Cost of Enforcement</u>. In the event it is necessary for either Party to employ an attorney or other person or commence an action to enforce or interpret any of the provisions of this License or for Licensor to remove Licensee from the Premises, the non-prevailing party agrees to pay to the prevailing party, in addition to such other relief as may be awarded by the court, IPHMA or other authority before which such suit or proceeding is commenced, all reasonable costs of enforcement in connection therewith including, but not limited to, reasonable attorneys' fees, expenses and costs of investigation.
