TRES HERMANOS CONSERVATION AUTHORITY

ITEM NO. 3.1

Chino Hills · Diamond Bar · Industry

Date: November 30, 2022
To: Chair and Board of Directors
From: Daniel Fox, Executive Director
Subject: Continued Use of Teleconferencing in Accordance with Assembly Bill 361 for Meetings of the Tres Hermanos Conservation Authority.

Recommendation:

Adopt Resolution No. THCA 2022-20 entitled: A RESOLUTION OF THE BOARD OF DIRECTORS OF THE TRES HERMANOS CONSERVATION AUTHORITY MAKING SPECIFIED FINDINGS RELATING TO THE USE OF TELECONFERENCING IN ACCORDANCE WITH ASSEMBLY BILL 361 FOR MEETINGS OF THE AUTHORITY SUBJECT TO STATE OPEN MEETING LAWS.

Background/Discussion:

Due to the continued impact of the COVID-19 pandemic, the California Legislature passed AB 361 (effective October 1, 2021), which authorizes a local agency to use teleconferencing without complying with certain teleconferencing requirements imposed by the Brown Act when: (1) the legislative body of a local agency holds a meeting during a declared state of emergency; (2) when state or local health officials have imposed or recommended measures to promote social distancing; and/or (3) when a local agency has determined that meeting in person would present imminent risks to the health or safety of attendees.

The Authority first utilized the provisions of AB 361 at its Special meeting on October 25, 2021. In order to continue to have the ability to use the modified teleconferencing options, AB 361 requires that the Authority re-affirm its findings every 30 days thereafter. Conditions under which AB 361 may be utilized continue to exist as described in the attached Resolution (Attachment 1).

The Authority is currently going beyond what the Brown Act requires by holding meetings in person and by way of teleconference and allowing the public to participate in both forums. The provisions of AB 361 allowing the modified teleconferencing will

expire January 1, 2024.

Fiscal Impact:

No fiscal impact.

Legal Review:

The Authority General Counsel has reviewed and approved the Resolution as to form.

Respectfully Submitted,

RESOLUTION NO. THCA 2022-20

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE TRES HERMANOS CONSERVATION AUTHORITY MAKING SPECIFIED FINDINGS RELATING TO THE USE OF TELECONFERENCING IN ACCORDANCE WITH ASSEMBLY BILL 361 FOR MEETINGS OF THE AUTHORITY SUBJECT TO STATE OPEN MEETING LAWS.

WHEREAS, on March 4, 2020, California Governor Newsom declared a State of Emergency in response to the COVID-19 pandemic; and

WHEREAS, on March 12, 2020, to address the impacts of COVID-19, Governor Newsom issued Executive Orders that required, among other things, residents of California to follow orders and guidance of local public health officials, including social distancing and masking requirements; and

WHEREAS, existing California law, the Ralph M. Brown Act ("Brown Act") requires, with specified exceptions, that all meetings of a legislative body of a local agency, as those terms are defined, be open and public, that a physical location for such meetings be provided, and that the public be permitted to provide public comment during the meetings; and

WHEREAS, the Brown Act permits members of legislative bodies to teleconference into public meetings subject to certain conditions, including that the place from which the member teleconferences be open to the public, that an agenda be posted on the site, and that the teleconference location be noticed in the agenda; and

WHEREAS, in recognition that such public gatherings at such meetings could accelerate the spread of COVID-19, Governor Newsom's Executive Orders suspended, among others, these Brown Act teleconferencing requirements to provide local agencies with greater flexibility to hold meetings via teleconferencing safely; and

WHEREAS, as of September 30, 2021, the Governor's Executive Order suspending the Brown Act's teleconferencing requirements expired; and

WHEREAS, on September 16, 2021, Governor Newsom signed Assembly Bill 361, which authorizes a local agency to continue to use teleconferencing without complying with certain teleconferencing requirements imposed by the Brown Act when: (1) the legislative body of a local agency holds a meeting during a declared state of emergency; (2) when state or local health officials have imposed or recommended measures to promote social distancing; and/or (3) when a local agency has determined that meeting in person would present imminent risks to the health or safety of attendees; and

WHEREAS, both Los Angeles County and state health officials continue to recommend social distancing due to continued community spread of COVID-19 cases; and

WHEREAS, the Authority first utilized the provisions authorized by AB 361 at a Special meeting on October 25, 2021, and subsequently adopted Resolution Nos. THCA 2021-06, 2021-07, 2022-01, 2022-02, 2022-03, 2022-04, 2022-07, 2022-09, 2022-10, 2022-11, 2022-12, 2022-13, 2022-14, 2022-15, 2022-16 and 2022-18 re-affirming its continued use.

WHEREAS, the Authority must approve a Resolution reaffirming that the requirements set forth in Assembly Bill 361 exist every 30 days in order to allow members of its legislative bodies to utilize the provisions of Assembly Bill 361 when attending public meetings via teleconferencing; and

WHEREAS, notwithstanding that the Authority, as defined by the Brown Act, are now holding modified public meetings in person, there may be situations in which a Board of Director(s) decides not to attend in person due to a particular health or safety risk posed by such attendance and as such, it is the desire of the Authority to permit its Board of Directors to attend by way of teleconference pursuant to Assembly Bill 361.

NOW, THEREFORE, THE BOARD OF THE TRES HERMANOS CONSERVATION AUTHORITY DOES HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:

Section 1. That the above recitals are true and correct. and based thereon, that the spread and potential further spread of COVID-19 poses an imminent risk to the public health and safety.

Section 2. That meetings of the Tres Hermanos Conservation Authority are held in the City of Diamond Bar, in the County of Los Angeles, in the State of California.

Section 3. That a state of emergency due to the COVID-19 pandemic continues to exist and at the time that this Resolution was adopted both Los Angeles County and State health officials are recommending social distancing to slow the spread of COVID-19.

Section 4. That meeting in person may pose an imminent risk to the health and safety of some attendees, including members of the Authority Board of Directors, who due to age, health conditions, or vaccination status, have a higher risk of contracting COVID-19 and are more likely to get severely ill and in some cases, die from COVID-19.

Section 5. That during the effective period of this Resolution and any reaffirmation thereof, Authority Board of Directors may participate in meetings subject to the Brown Act by way of teleconference in accordance with Assembly Bill 361.

Section 6. That meetings shall be held in accordance with AB 361 by, among other things, providing notice to the public how it can access the meeting and provide

public comment, providing an opportunity for the public to attend via a call-in or an internet-based service option, conducting the meeting in a manner which protects the statutory and constitutional rights of the public, and stopping the meeting until public access is restored in the event of a service disruption.

IT IS FURTHER RESOLVED that this Resolution is effective for 30 days from its adoption date. Subsequent appearances by teleconferencing of the Board of Directors must be affirmed/acknowledged every 30 days by the Tres Hermanos Conservation Authority in order for the provisions of Assembly Bill 361 to continue to apply.
